EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 10/25/2007, Richard S. Wesorick requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 20-0090 the required fee of \$340(difference between 2 month and 1 month extension of time) for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims

Claims 2-4, line 2, 'axle apparatus' has been replaced with --plurality of axle members--.

Claims 13-14, line 2, 'axle apparatus' has been replaced with --plurality of axle members--.

Claims 20-21, line 2, 'axle apparatus' has been replaced with --plurality of axle members--.

Claim 20, line 3, 'an' (1st occurrence) has been replaced with --said--.

Claim 30, line 2, 'axle apparatus' has been replaced with --plurality of axle members--.

2. The following is an examiner's statement of reasons for allowance: Examiner agrees with Applicant that WO87/01404 fails to disclose a plurality of axle members arranged to surround and define a space. However, it is noted that the rejection is based on WO88/09848, wherein WO87/01404 is incorporated by reference. WO87/01404 discloses the sweeper structure whereas WO88/09848 discloses the axle structure. The figures in WO88/09848 disclose an axle apparatus having a plurality of axle members(#42,40,34) with a space between the front wheels. HOWEVER fails to disclose the axle members 'arranged to surround and define' the space. The forward elements(44,46) are support arms for brushes(16,18) not part of an axle apparatus that supports the front wheels.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Theresa T. Snider whose telephone number is (571) 272-1277. The examiner can normally be reached on Monday-Friday (5:30am-2:00pm).
